

# Number

In Term 5 we will be learning to double numbers. Practise your doubling at home using objects. You will need to have two groups with the same amount. If you have one pile with 3 socks in make another pile with the same amount! Can you count how many you have altogether? You can record your work however you wish, you could draw a picture or take a photo.

|    |    |    |    |
|----|----|----|----|
| 1  | 2  | 3  | 4  |
| 5  | 6  | 7  | 8  |
| 9  | 10 | 11 | 12 |
| 13 | 14 | 15 | 16 |
| 17 | 18 | 19 | 20 |

# Shape, Space and Measure

Investigate with Measure. Can you measure spaces in your home using different objects? Perhaps you could measure how many pencils long your bedroom is, or how many steps long your living room is, you could measure with anything!

## Term 5 Mini-beasts And Superheroes

# Creative art and design

Design your own 'Super Bug'! If you met a super hero bug what would it look like? How many legs would it have? Can it fly? Will it have any special powers?

Show us your ideas in any way you wish. You could draw a picture, paint your bug or create a model.

# Reading

Choose your favourite book and review it. Tell your grown up why you like it? Who is your favourite character? What is your favourite part and score your book out of 10!

ABC

# Phonics

This term we are continuing with our Phase 3 sounds. We will be learning; ar, or, ur, ow, air, ure, er.

Can you write a sentence that includes a word with one of these sounds in? Remember your finger spaces and a full stop at the end.

# The World

Become a Mini-Beast Explorer! Head outside and see what mini-beasts you can find. What does your mini-beast look like? Where did you find your mini-beast? Why do you think your mini-beast chose to live where you found it?

Record what you have found out in your books. You may wish to research your mini-beast further and see if you can find out any interesting facts.
