

# Music

Find out about the music and instruments played during medieval times.

Do you like it?

How is it similar or different to music now?

used?

We've been learning about materials. Can you find out how swords were made? What materials were used? What did they do with the materials to make the sword?

# Science

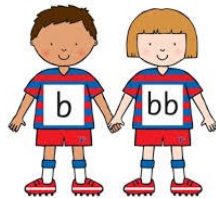

# Numbers

More mymaths online homework has been set this term on fractions!  
<https://www.mymaths.co.uk/>

If you are unable to access the online homework, please let your child's teacher know and we would be more than happy to provide you with a print out.

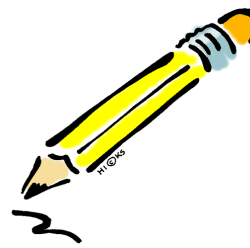

# Phonics

Each week we will send home more real and nonsense words to practise reading— don't forget to add the sound buttons!

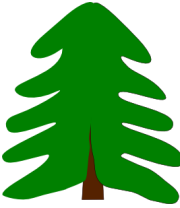

## Term 5 Castles

# Writing

Design your own fairytale character! Draw and name them. What are they like? Can you use adjectives to describe them? What adventures might they get up to?

# Outdoors

Find out about castle local to you. Who lived there? What parts does it have? Perhaps you could visit a castle this term!

# DT

Design and make your own crown fit for a king or queen. What materials and parts will you include?

Use paint (or similar programme) to create a picture of a castle, knight, king and queen or your own coat of arms.

# ICT

This term our learning is based around 'Castles'. Please choose one activity a week as homework for your child. Homework will be set on a Friday and collected on Thursday. Have Fun!  
Miss Carden, Miss Porter and Mrs Hollingsworth
