

Science

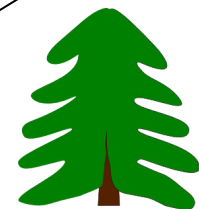

In science we will be looking at the nutrition humans need to survive. Can you design a meal on a plate that would provide all the healthy food we need?

Writing

Mary's special place was the Secret Garden. Do you have a special place you like visit? Write a paragraph to describe it.

Outdoors

We are learning all about animals this term. Have a look around your garden or local park and record all the different creatures you find. You may like to photograph, draw or describe these.

Term 5
Secret
Garden

Activities will be set weekly on My Maths. Use your log in to complete.

Choose your favourite animal, research it online with an adult and create a fact file about it.

ICT

Art

In literacy we have been using the 'Secret Garden to help us with our writing. What might your secret garden look like? Sketch, paint or collage your own design.

Create your own garden, this could be in a tray or if you are feeling more adventurous you could have a go at making an underwater garden in a bottle?! With your adult you could use the internet for some helpful tips and ideas.

Design

Numbers

Project:

This term we will be looking at The Secret Garden by Frances Hodgson Burnett, poetry, animals and our local environment of Whitstable. As usual please don't feel you need to do all of these activities. Just take a look and pick those you'd feel would be most fun to complete.
