Art

Create a rainforest scene using a variety of media and materials.

Think carefully about the colours, materials and

Term 5

Science

Research your favorite mammal and create a fact file with a description of their natural habitat. *How does their habitat help them to survive? How do they make their own homes? How does their habitat keep them safe? What*

Research and find out about the threats posed to rainforests as environments and habitats.

Make a poster encouraging people to protect the rainforest.

Geography

Research and find out about Mayan gods. Choose 5 of your favourites and make your own Top Trumps cards. Use the gods' special

History

Create a 3D Mayan pyramid! *What materials could you use to make it stand up? How could you decorate it to look like the real thing?*

Research how the Maya made chocolate. *How did they harvest the cocoa bean? Who did they make chocolate for? Create a*

fact-filled poster using your ICT skills to go on our dis-

ICT

DT

Bonus:

This term we will be studying the *Maya, Rainforests, Animals and their Habitats* and continuing with our *Go-Givers campaign*. You can use the homework wheel if you wish to develop your cross-curricular knowledge but you could choose one of our learning themes and develop your own project over the term instead! Use the next 6 weeks to create your
