Friday 9th March 2018

Dear Parents & Carers

Sport Relief – Monday 19th March - Friday 23rd March 2018

'Believe everyone deserves the right to live happier, healthier & safer lives'

We look forward to spending an exciting week in School raising money for this year's Sport Relief fundraising campaign.

Sport Relief is about whatever moves you and gets you moving. The charity champions Sport for Change by funding organisations in the UK and internationally that harness the power of sport for good. During our Sport Relief assembly, the children will watch a short film to show them how their donation will make a difference.

Sport Relief is challenging the Nation to achieve 1 billion steps a day. We will be encouraging the children every day to walk / run around a marked track to see how many steps they can achieve for their House. During Friday afternoon's assembly, the grand totals of steps reached throughout the week will be announced. Dojos will be awarded each day to the children based on the amount of steps completed.

On Friday 23rd March the children can come to school dressed as their sporting icon or uniform from a sports club for a suggested donation of £1. During the week your child will need to have suitable warm clothes and a change of footwear in school for when they are taking part in the daily step challenge.

We hope everyone will enter into the spirit of the day and, most importantly, raise money for Sport Relief.

If you would like to find out more about this charity, please visit their website at sportrelief.com.

Yours sincerely

Ms D J Hines
