Dear Parents and Carers

Swimming Lessons at Joy Lane Primary School

We are sad to inform you that Oyster Bay Swim School Ltd has chosen not to continue their swimming instruction at Joy Lane Primary School. The School was informed of this decision yesterday, as were the private customers of Oyster Bay Swim School Ltd. We can assure you that we are looking for other instructors with a similar passion for working with children and the wider community to provide the teaching instruction of swimming at Joy Lane Primary School.

Following this unexpected decision from Oyster Bay Swim School Ltd, the School Business Manager will be recruiting swimming instructors to continue our swimming programme and hope to minimise the disruption to the timetable of lessons for our children. We intend to resume our swimming programme for the children as soon as possible and will let you know the dates as soon as we know.

You may have heard that there was a fault with the pool last week. We managed to have this repaired within 24 hours and are pleased to report that our Swimming Pool was fully functional and ready for use from 18th September 2017.

Thank you for your kind attention in this matter.

Yours sincerely

Ms D J Hines
Executive Headteacher
