ON-LINE E-SAFETY & SOCIAL MEDIA

Social Media: As part of our curriculum and safeguarding duties, we teach the children how to stay safe online, especially when visiting social media network sites. We explain to the children that ‘talking’ online should be done in the same way as you would do ‘face to face’ in a courteous and pleasant manner. This is modelled to the children by adults.

Recently, we have had a number of parents and carers contact the school with regards to ill-informed and unpleasant social media comments. We would certainly discourage such behaviour amongst our school community. Any school-related issues should be addressed directly to the Senior Leadership Team, in order for the facts to be fully established and solutions found. As ever, you can speak directly to a member of the Senior Leadership Team every morning or privately with one of our Family Liaison Officers. Thank you for your kind attention in this matter. Please note the Joy Lane Parents Facebook page was neither set up by Joy Lane Primary School, nor is it managed by the School.

You are at liberty to report abusive posts on social media sites directly to them.

Helpful Links: Parents and carers please see below a couple of useful links that may assist you in judging whether certain video/internet games are appropriate for your children.
