Head of School: Mr M Ashley-Jones

Friday 29th September 2017

Dear Parents & Carers

Key Stage 2 Maths Workshops – Monday 16th October 2017

Following the popularity of our Maths workshops last year, we will once again be running these for parents and carers. We will be presenting two workshops on Monday 16th October (a change from the original date of 10th October) in our Upper School Hall.

The workshops will give parents and carers greater confidence and understanding of what we teach the children in School and a greater knowledge of our calculation policy. In turn, we hope that parents and carers can better support their children's learning at home. If you would like us to cover any specific areas of maths, please detail below on the attached slip.

If you would like to attend a session, please complete and return the slip below so we have an idea of numbers.

The KS2 session will be run by Mr Rogers and Mr Malkinson from the Maths Team. For those of you who are unable to attend the presentation, this can be accessed via the School's website.

Yours sincerely

G J Clemo

Mrs G J Clemo

Maths Leader
