Dear Parents & Carers

We are currently in the process of updating our records about the talents of the children in our School.

We are keen to find out if your child has a particular talent. Talents can be varied and may include a range of sports, art, drama, dance, music, playing an instrument etc. In order to be identified as talented, your child's coach, tutor etc should consider your child's performance in relation to children of a similar age. We would, therefore, appreciate verification from the coach or tutor that your child excels and is talented in their chosen field.

Thank you for helping us to celebrate your child's successes. If you would like to tell us about your child's talent then please ask your child's coach or tutor to complete the box below and this should then be returned to the School office by Friday 1st December 2017.

Yours sincerely

M Ashley-Jones
