November 2017

Dear Parents & Carers

From September 2017, Joy Lane Primary School is pleased to offer a wide choice of musical instrument lessons available in School. Mrs Rawlings and her team will continue to offer lessons on a one to one basis and in paired lessons, during the School day.

Lessons are offered in **trumpet, cornet, trombone, descant and treble recorder, flute, clarinet, saxophone, piano, electronic keyboard, drum kit** and all styles of **guitar**. Paired lessons can only be arranged when it is appropriate for the instrument and if there are two children of similar age and ability, but we will make every effort to find a pairing if requested.

Prices vary according to lesson length (20 or 30 minutes) and whether they are shared or individual. As a guide, individual lessons are up to £10 per week. Classical guitars are available to borrow from School at no cost and can be taken home for practise. We are also able to make arrangements for wind instruments to be hired where required. Advice can be given on hire or purchase of other instruments and instruction books can be bought from the teachers. The lesson timetable will be a rota that changes each week so that children do not miss the same lesson.

There continues to be a waiting list for all instrumental lessons, particularly guitar and drum kit. For this reason, we offer our lessons to children in Year 2 and above only. Our timetable is full for September 2017, except for flute, clarinet and saxophone but, in every case, you will be contacted by the relevant teacher upon receipt of your form to discuss a predicted start date. If you are interested in your child having musical instrument lessons, please complete and return the attached slip to the School office.

Yours sincerely

Ms DJ Hines
