Dear Parents & Carers

JEANS FOR GENES DAY – FRIDAY 22ND SEPTEMBER 2017

Joy Lane Primary School will be taking part in this year's Jeans for Genes Day on Friday 22nd September 2017.

1 in 25 children has a genetic disorder – that is the equivalent to one child in every class. Simply by wearing a pair of jeans for a small donation we can make a difference.

It would be lovely if everyone could take part in this worthwhile event – all you need to do is wear your jeans with your usual school shirt, tie and jumper for a suggested donation of £1.

Jeans for Genes Day have a series of powerful five minute films explaining how your child's donation makes a difference. Each film provides a compelling and personal insight, introducing some amazing children living with genetic disorders, sharing first-hand what life is like living with their condition. Please visit jeansforgenes.org/getinspired for more information and to view these films.

If you would like to find out more about this charity, please visit their website at jeansforgenes.org

Our help really will make a difference.

Yours sincerely

A Godden
