

**A PROFESSIONAL STORY-TELLER
COULD BE COMING TO YOUR SCHOOL!!!**

KM Walk to School have **an exciting Story Time Challenge** for you and your school on **Wednesday, 18th May**.

You have the chance for a professional story-teller to come to your school and read a book chosen by you and your winning class.

To take part in this Challenge, on Wednesday, 18th May you need to walk, cycle or ride your scooter to school, or, if you live too far away, park-and-stride for 5-10 minutes to school. Your teacher will count the number of green travellers and let KM Walk to School know just how well you have done, via their database.

Our story-teller will be visiting just one lucky school with top Walk to School results to read the children a story! They will be coming to a school assembly to do this in June.

I'm sure you have all seen the great video on the KM Charity Team website www.kmcharityteam.co.uk of Phil Gallagher (also known as Mister Maker of CBeebies) performing a storytime session for East Peckham Primary School. That lucky school was the overall winner in our Walk to School Challenge in February and they all had a wonderful time when Phil visited their school.

So make sure you have **WEDNESDAY 18th MAY** on your calendar and make a real difference to the environment. You could be having lots of fun with our story-teller very soon!
