Dear Parents & Carers

## WALK FOR WATER

We will be celebrating and learning about the Walk for Water charity on Thursday 19<sup>th</sup> May and Friday 20<sup>th</sup> May 2016. During our assembly on Thursday we have invited a guest speaker to explain the charity's work and objectives to the children.

### **Non - Uniform**

All children are invited to **wear 'blue' clothes to School instead of their uniform on Friday 20<sup>th</sup> May** in exchange for a suggested donation of **£1** to raise money for this worthy charity. Over 500,000 children pass away every year from diarrhoea caused by unsafe water and poor sanitation; that's over 1,400 children a day. This year the money will be used towards building a water training centre in Malawi which is expected to supply 2000 people with a fresh drinking supply.

### **Pupil challenge**

Pupils will be participating in their own water supply chain, passing water to each other in a relay style, whilst climbing over obstacles on the way! The children will be carrying one or more buckets full of water being careful not to spill any. We will then reuse the water so we won't be wasting a drop!  
**Please bring in buckets with your name on if you have any!**

We hope all pupils will enjoy the activities available to them on this day whilst raising money for Walk for Water.

If you have any queries please do not hesitate to contact the School office.

Yours sincerely
