## ***Parent View Survey Results and Response***

Dear Parents and Carers

We are pleased to attach the results of our recent whole School Parent and Carer Survey, which has been shared with our Governing Body and thank you for taking the time to respond either by paper or computer. We were very pleased with the overwhelmingly positive response to the questions asked which we believe validates the hard work of all stakeholders and subsequent success of the School.

We would also like to thank Parents and Carers for their constructive feedback, comments and suggestions for what can be done for us to improve further and we attach a response to some of the points raised during the survey. We hope that our response is useful and that every member of our School community feels that their comments are valued and represented.

As a leadership team we are also very excited by the next stage of the School expansion which I am sure will bring with it a few challenges but I am sure you will agree that this is a very exciting time for the pupils, staff and stakeholders of our School.

As always we look forward to working in partnership with all of you to ensure your children benefit from the very best teaching and learning opportunities that we can offer.

Yours sincerely

The Leadership team of Joy Lane Primary, Oyster Bay Nursery & Oysters SRP.
