Wednesday 25th May 2016

Dear Parents & Carers

Football Cards

We know the children enjoy collecting and swapping their football cards in the run up to Euro 2016 and many of the children have admirable collections which they bring into School on a daily basis.

However, these cards are now becoming a distraction and inevitably cards are traded and sometimes lost which can then result in minor disputes.

We have, therefore, made the decision that as from Term 6 these cards should not be brought to School but should be enjoyed in the evenings and at weekends when the children can swap and trade with their friends.

Thank you for supporting us in this matter.

Yours sincerely

M Ashley-Jones
