Dear Parents and Carers

Welcome to Term 6 of our summer term and the last of the academic year – time flies when you're having fun!

We are looking forward to our Summer Fair this Saturday and I would like to thank you all in advance of your continued support of our wonderful School. The Friends of Joy Lane work very hard to ensure that our children have that little bit extra to support their learning, educational visits, resources and fun activities – I am sure that the fair will, as ever, have something to offer for all the family. I look forward to seeing you there.

## School Expansion

Planning permission for our additional classrooms plus new access road from the School site has been granted. The Chair of Governors and I met with KCC Property Project Manager, Janet Streek, who informed us that planning permission has been granted, but has certain conditions attached to it; this has been in part due to objections raised from our local residents regarding persistent inconsiderate parking along Joy Lane. We were both extremely disappointed that a selfish few have upset our local residents by not adhering to the highway code and, at times, endangering the lives of others. The whole building project will now be complete by the end of July 2017 and we are really looking forward to the well-needed additional teaching space. I will give you regular updates as I receive them.

## Happy News

I am pleased to announce that Jacob Moorfield, son of Mr & Mrs Moorfield, arrived on May 28<sup>th</sup> 2016 at 23:52 weighing 7lb 9oz. Both Mother and baby are doing well and Dad is a little tired too.....

I am sure that some of you may have noticed that Miss Lewis is also expecting a baby which is due in September 2016. She will take her maternity leave from September 2016 and I am sure that you will join me in wishing the very best during her absence.

## Safeguarding our Children

You may have been aware of recent critical events at schools across the country involving hoax telephone calls. Please be assured that we have procedures in place to deal with events that involve whole school evacuation.

As ever, thank you for your continued support of Joy Lane Schools.

Yours sincerely,

Ms D J Hines
