Oyster Bay Nursery & Oysters SRP (ASD)

Executive Headteacher: Ms D J Hines

Head of School: Mr M Ashley-Jones

Dear Parents, Carers and Guardians

School Organisation and Transition to new Classes

I would like to share with you our School organisation and structure of classes for the coming academic year 2016-2017 which is listed below for your convenience. Our children will move to their new classes on Tuesday 19th July 2016 and you will find the name of your child's new class teacher and class name with this letter.

As our School continues to grow, we have renamed many of our Class names which further enhances the curriculum expectations of that year group. Due to the additional building works not being complete, our new Year 4 children (Hepworth and Heron classes) will be located in our Early Years Hall for the four transition days and then in their new accommodation (at the rear of the Year 6 classes) from September 6th 2016. Thank you in advance for your cooperation and understanding in this matter. This year's transition project, for all children is focussed on a book called 'The Dot' by Peter Reynolds.

The children will go to their new classes first thing on Tuesday morning and as always, Parents, Carers and Guardians are welcome to take their children to their new classes – Staff will be available to direct you. If you did not have the opportunity on Tuesday to see our whole School Coastal Art project, please drop by our Main Hall to see the children's magnificent artwork. The children's last day with their current Class Teacher will be Monday 18th July 2016.

I would like to thank you all for your positive comments during our open afternoon on Tuesday – it was good to catch up with you all.

Yours sincerely,

Ms D J Hines
Executive Headteacher
