19th July 2016

Dear Parents, Carers and Guardians,

Adverse weather conditions – feeling, hot, hot, hot!!

I would like to reassure you all that as we are enjoying the summer weather, we have taken precautions with your children to ensure that they are fully hydrated and when outside they sit in the shade of the trees – thank goodness for our large grounds and shaded areas. Our teaching staff have been ensuring that we have made the children as comfortable as possible and have access to water, as ever, at all times. I would like to request that you continue to make sure the children have sunscreen and hats during this adverse weather. Thank you for your kind attention in this matter.

End of term arrangements

As the end of term approaches may I please remind you that children *finish at 2pm on Friday 22nd July 2016* and I look forward to welcoming you back after the summer break on Tuesday 6th September 2016 at 8.40am.

Yours sincerely,

DJ Hines
