Dear Parents & Carers of Pupils in Years 1 & 2

MYMATHS HOMEWORK

You have recently received your MyMaths log in details for accessing on-line maths homework. As we are currently completing our homework wheels, the MyMaths homework will be implemented from January 2016.

Please feel free to still log on to practise accessing the site and to use some of the interactive maths games.

Thank you for your home support.

Yours sincerely

S Carden
