Dear Parents & Carers

I am writing to remind Parents and Carers about the importance of not only parking legally but also respectfully. I know that the majority of our Parent community park carefully and have the safety of all the children as their main priority.

Regretfully, we have received further complaints from local residents concerning illegal / inconsiderate parking and general discourteous behaviour.

To assist with the safe transition of the children on their arrival to School and at the end of the day, our staff are situated by the entrance gates. Unfortunately there have recently been a few incidents of unacceptable behaviour towards staff; please be aware that this will not be tolerated by the School Governors.

We are currently liaising with the police regarding traffic management requesting that they implement checks on a regular basis.

It is imperative that all members of our School community adhere to the above to keep the children safe on their journeys to and from School.

Yours sincerely

*Mr Ashley-Jones*

Mr M Ashley-Jones
