Well-Being 4 Children@ Joy Lane Workshops Tuesday 2nd February 2016

Dear Parents & Carers

The Senior Leadership Team at Joy Lane would like to invite you to a Well-Being Workshop on Tuesday 2nd February at either 2.15pm or 6pm in the main School hall. These workshops are for adults only and we will be providing a crèche / childcare for the 2.15pm workshop.

This will be an opportunity for Parents and Carers to hear about the everyday practice that occurs within the School setting. This will include how we help resolve conflict, communicate sensitive information to relevant staff, work with children, parents and carers who may have worries and concerns. We will also include information on how we try to build resilience and encourage independence for the children.

There will be opportunities for you to ask questions, interact with us and give your views on well-being at Joy Lane.

Please join us to learn more about;

- Our systems behind the scenes at Joy Lane
- Safety and well-being in the classroom and on the playground
- Our vision, the curriculum and how well-being underpins all learning

Therefore, if you would like to hear more about what the children really think and how Joy Lane promotes pupils' personal development and welfare then please sign up for one of the workshops below.

Please complete and return the slip below if you would like to attend.

Yours sincerely

M Ashley-Jones
