Dear Parents & Carers

With our ever expanding and popular Breakfast and After School Clubs we are currently in the process of ordering some new and exciting resources for the children.

We are, however, asking whether Parents and Carers have had a clear-out during the Christmas break and would be able to donate any games, puzzles etc that their child may no longer need. We would then be able to offer even more choice for the children supplementing the games etc that our Extended Services use.

We very much appreciate your support and any donations can be dropped off at the School office.

Yours sincerely

*M Ashley-Jones*
