Dear Parents & Carers

Clarification

It has been brought to my attention that there are comments on social media inferring that the School and pupils will be taking an active role in meeting with the new residents of the former Ladesfield site. I would like to clarify that this is not the case. Some of you will have seen that our local churches are meeting and supporting the unaccompanied minors and we have no involvement with this.

I am in communication with the Social Care Team who is responsible for the welfare of the young people and will, of course, update you if there are any further developments.

I would like to reiterate that it is not appropriate for our Parents and Carers to speculate on social media without having the full facts about any issue concerning Joy Lane Primary School. This is inadvertently worrying members of our Parent Community which, in turn, causes unnecessary distress to our children.

Thank you for your kind attention in this matter.

Yours sincerely

Ms. D J Hines
