Dear Parents & Carers

At Joy Lane the children are really proud of their unique School uniform and the many visitors who look around the School and observe the children at work and play always comment on how smart the children look.

This is just a gentle reminder that regulation School uniform should be worn at all times. The requirements are clearly highlighted towards the back of the School's prospectus which can be accessed via the information tab on our website. We are asking Parents and Carers to work with us by ensuring their child does not attend School wearing nail varnish. Pupils are also not allowed to wear any jewellery as it can be a health and safety risk during P.E. sessions or during swimming lessons (studs may be worn if ears are pierced. These must be removed or taped for all P.E. sporting activities).

Children have always enjoyed taking part in the latest 'craze' which at the moment appears to be very large JoJo bows. These are not part of our uniform and should only be worn outside of School hours.

I know that all our secondary schools are really strict on the correct school uniform and if the children get used to the expectations at primary school then nothing will be too much of a shock for them when they make the transition to their next school.

Thank you in advance for supporting us and your children with meeting the correct Joy Lane uniform requirements and please speak to your child's class teacher or either one of the Family Liaison Officers, Mrs Allen or Mrs Elton if you have any queries regarding the above.

Yours sincerely

M Ashley-Jones
