Dear Parents & Carers

## **Fidget Spinners & Toys**

Due to the distraction the fidget spinner toys are having on the children's learning, we ask that children keep these at home during the School day.

We appreciate they do provide a benefit to some children with additional support needs. Therefore, if your child has an Individual Personal Plan permitting them to use these as an educational tool, they will, of course, continue to be allowed to do so.

We are also mindful that some children have lost their toys and have also got into squabbles and our priority is always to keep our pupils happy and safe.

We thank you for your support and hope the children will continue to enjoy the latest craze during the evenings and weekends.

Yours sincerely
