Dear Parents & Carers of

Forensic Science Day at Queen Elizabeth's Grammar School – Wednesday 12th July 2017

Our Year 5 Gifted and Talented Science pupils have been invited to attend a Forensic Science Day at Queen Elizabeth's Grammar School, Faversham on Wednesday 12th July. This is a fantastic opportunity for the children to bring science to life in a real life crime situation whilst working in a secondary school science laboratory.

The children will be travelling on the School minibus, **leaving promptly after registration and will be returning in time for the end of the School day.** They will be accompanied on the trip by two members of our staff. Please also note:

For Health & Safety purposes all pupils with long hair will need to bring hair bands to minimise the potential for accidents.

Please provide your child with a healthy mid morning snack and a packed lunch. If your child is entitled to Free School Meals and you would like the School kitchen to provide a packed lunch for your child, please indicate this on the slip below.

If you are happy for your child to attend the Forensic Science Day, please complete and return the permission slip below and return it to the School office no later than Friday 7th July.

Yours sincerely

P Bell
