Dear Parents & Carers

WALK FOR WATER

We will be celebrating and learning about the Walk for Water charity on Monday the 3rd July. The children have already enjoyed an assembly from Chestfield Rotary Club where they learnt about the charity and how water is not as easily accessed in some countries as it is here.

Non - Uniform

All children are invited to **wear 'blue' clothes to School instead of their uniform on Monday 3rd July** in exchange for a suggested donation of **£1** to raise money for this worthy charity. Over 500,000 children pass away every year from diarrhoea caused by unsafe water and poor sanitation; that's over 1,400 children a day. This year the money we raise will go towards **Water, Irrigation, Sanitation** and **Hygiene** projects in, and around, the village of Muzuzu in Malawi.

Pupil challenge

Pupils will be participating in their own water supply chain, passing water to each other in a relay style, whilst climbing over obstacles on the way! The children will be carrying one or more buckets full of water being careful not to spill any. We will then re-use the water so we won't be wasting a drop! **Please note buckets will be provided!**

We hope all pupils will enjoy the activities available to them on this day whilst raising money for Walk for Water.

If you have any queries please do not hesitate to contact the School office.

Yours sincerely

Mr M Ashley-Jones
