Friday 14<sup>th</sup> July 2017

Dear Parents and Carers

It was lovely to see so many of you on Wednesday during our Open Afternoon; the children thoroughly enjoyed sharing their past year's hard work with you and the Staff welcomed your positive feedback. If you have not done so already, may I please ask you to return the feedback form from your child's Report of Achievement. Thank you.

### ***Transition to new classes on Tuesday 18<sup>th</sup> July 2017***

Please find attached to this letter a map of where all the new temporary classes will be based during our final week of this term, until we can access our new classrooms in September 2017. You will see that I have managed to ensure most year group classes are adjacent to one another with the exception of Years 4 and 5. You will receive the new site map with named classes by Friday 8<sup>th</sup> September 2017. As ever, I will ensure that adults are available to help direct you to the classrooms on Tuesday morning. Our new Teachers, Mr Hampshire and Mr Malkinson, will be here all day on Tuesday 18<sup>th</sup> July but need to return to their current respective Schools for the remainder of the week. In their absence, our very own Mrs Farrant will teach Heron class and Miss Langlands will teach Rousseau class for the rest of the transition week. Thank you for your kind attention in this matter.

### ***Cycling/Scooting to and from School.***

As you are aware, we encourage our children and their families to walk, scoot or cycle to School to help reduce the amount of cars and to keep us healthy. Thank you to all of you who do so on a regular basis.

At the beginning of the week, one of our children was riding to school on their bike, on the pavement, and accidentally ran into a heavily pregnant member of our community which caused injury and distress to all concerned. May I please ask that if your child rides or scoots to School, you remind them to do so safely and that they should not be on their own without adult supervision if they cannot ride safely on the highway. Children must walk their scooters or bicycles in the School grounds.

### ***Summer Term Times***

You will be sent a copy of the Summer Term Times next week which will have a plethora of information regarding the children's activities and achievements over the last two terms which are too many to mention in this letter.

Until next time.....

Best regards

Ms D J Hines  
Executive Headteacher
