Dear Parents & Carers

## Trading Cards

We are experiencing a number of difficulties at School at the moment due to disputes arising from the swapping and sharing of trading cards i.e. Pokémon and football cards. I am asking for your support in ensuring your children do not bring these cards into School.

We are mindful that children wish to trade their cards but would prefer this to be under the supervision of Parents & Carers.

Thank you for your support with this.

Yours sincerely

*M. Ashley-Jones*
