Dear Parents & Carers of Pupils in Years R, 1 & 2

## Universal Free School Meals

We are very fortunate that all children in Years R, 1 & 2 are entitled to a free school meal covered by the Government's Universal Free School Meals scheme. To take advantage of this Government scheme, your child just needs to tell the teacher at morning registration that they would like a School dinner.

I am delighted to enclose our Oyster Bay Catering Team's new lunch menu. This has been carefully planned to ensure the children are provided with balanced and healthy meal choices.

The team provides a wide variety of dishes for the children to choose from, including a vegetarian option, a School packed lunch and a salad bar from which the children can help themselves. There are also hot and cold puddings available together with a selection of fruit.

As we approach the colder weather, we would encourage every child to have a hot meal in the middle of the day. Research has proven that not only a balanced diet enhances children's learning but is also essential for a healthy lifestyle.

It is wonderful to see the children enjoying their School dinners and sometimes being a little bit adventurous in trying 'something new'!

Yours sincerely

*Ms. D J Hines*
