A Love of Learning, for Life, for All

GC/fcp

Oyster Bay Nursery & Oysters SRP (ASD)

Executive Headteacher: Ms D J Hines

Head of School: Mr M Ashley-Jones

Wednesday 2nd November 2016

Dear Parents & Carers

Mathematics Workshops

Following the popularity of our recent Mathematics Workshops, our Maths Team will be running further workshops in Term 2.

The format of these will differ from previous workshops in that the focus will be on specific year groups and will take place in classrooms between 4pm and 5pm. The children will also be very welcome to attend.

Our recent Key Stage 2 workshops covered many new and challenging concepts and we feel it may be helpful to discuss these further.

In addition, we will be providing some questions for the children and will provide guidance on how you can help and support your child with them. The workshops will give Parents and Carers greater confidence and understanding of what we teach the children in School and gain a greater knowledge of our calculation policy. In turn we hope that Parents and Carers can better support their children's learning at home.

If you would like to attend any of the sessions, please complete and return the slip below so we may have an idea of numbers. Places will be on a first come first served basis. However, if we are unable to accommodate the demand, we will arrange additional workshops at a later date. For those of you who are unable to attend, the presentations can be accessed via the School's website.

Yours sincerely

Ms. D J Hines
