

Joy Lane Primary School

A Love of Learning, for Life, for All

KS/fcp

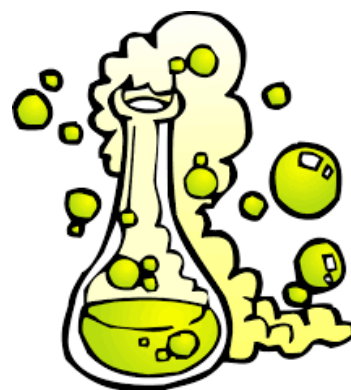

Oyster Bay Nursery & Oysters SRP (ASD)

Executive Headteacher: Ms D J Hines

Head of School: Mr M Ashley-Jones

Thursday 3rd November 2016

Dear Parents & Carers

What a successful Science Week!

Joy Lane Primary School's Science Week was a huge success last term! Did you see that we made front page news in The Whitstable Times (Wednesday 26th October)?

The children were engaged and motivated by the various workshops and activities that were organised within School by the Science Team and our fantastic teachers. We would like to thank all parents and carers who supported their children and enabled them to come dressed up as scientists or inventions; there were many fantastic creations! The whole week would not have been possible without the parents and grandparents who volunteered to come and talk to the children about their role as a 'Scientist.' Many thanks to Ian Rawlings, Michelle Garrett, Mrs French, Graham Hogg, Mark Uphill, Vicky Clayton and James Appleby for their wonderful presentations.

If your child hasn't told you about their journey into space in the Astrodome then make sure you ask them; it was incredible!

We are already planning the next Science Week and hope we have inspired many of the children to love science!

Yours sincerely

K Stanley
