Dear Parents & Carers of children in Oysters

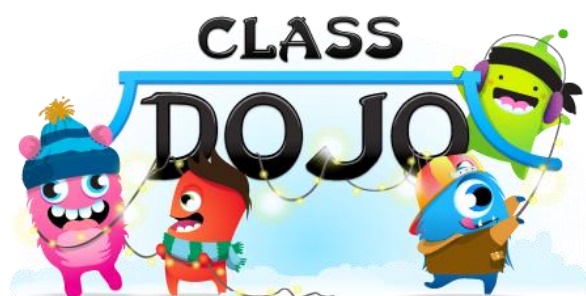

It was lovely to see so many of you at the Oysters Christmas production on Monday; I thought the children were amazing.

As you are aware I listen to suggestions or thoughts that you share. You have said you would like to know more about what your children are doing on a daily basis in school as they are, sometimes, reluctant to share this with you when they get home. One of the ways we can do this is through the Class Dojo system that we launched last year.

## **Class Dojo – Class Story**

Class Story is a way for your child's teacher to share photos, videos and announcements about the class with all the parents of the pupils in that class. Class Story is shown as a beautiful feed so that parents can scroll through and stay in the loop with what's happening in their child's classroom.

We would use the Class Story to share photos of group projects, post videos of class presentations, and more! Parents can like photos or even add supportive comments.

Only the teachers of Oysters and the parents connected to the Oysters Class can see Class Story - it cannot be shown publicly or viewed by anyone else. However you will need to sign up for the Class Dojo app if you haven't done so already.

If you have any questions regarding the Class Dojo app or website, please do not hesitate to contact Mr Moorfield and Mrs Stanley who are leading Class Dojo within school.

We cannot launch the Class Story unless **all** parents agree for their child to take part. Please complete the form below to give your permission for your child and their work to be photographed and videoed so that their achievements can be celebrated and shared.

Yours Sincerely

*Ms. D J Hines*
