Our talented artists from Joy Lane Primary School currently have their fantastic work displayed in the Somerset Maugham & Gallery 2 at the Horsebridge Centre in Whitstable.

The children from the Whitstable and Herne Bay Coastal Alliance Schools have produced some fantastic pieces of artwork inspired by the poem 'Nation's Ode to the Coast' by Dr John Cooper Clark.

The Joy Lane display showcases our children's brilliant artwork. A huge thank you to our very talented teacher, Miss Broadbent, who has invested a lot of time and effort helping the children put together what can only be described as an inspirational vision of life by the sea.

I would urge you all to visit the Horsebridge and look at all the fantastic work.

Yours sincerely
