Dear Parents & Carers

Polite Request

We have recently been approached by some of our parent community who have expressed concerns about dogs being left unattended and tied up at the School entrance.

Some children and parents are nervous of the dogs, especially as they are tied up near the entrance and exit to the School site. We would kindly ask Parents and Carers to refrain from securing dogs to the School gate and also be mindful of walkways as many adults and children are entering and exiting the School.

You will, of course, understand our main priority is always the safety of our children and the Joy Lane community.

Yours sincerely

Ms. D J Hines
