Dear Parents & Carers

## ENTERPRISE WEEK

We are writing to give you details of our exciting 'Enterprise Week' which will be taking place the week commencing 6<sup>th</sup> February 2017.

Each class will be given a start-up loan of £25 from School funds with the understanding that during the week they will be involved in planning and developing their own ideas for how they could make their money 'grow'.

On the last day of term, Thursday 9<sup>th</sup> February 2017, there will be a Grand JLPS Enterprise Market, run by the children, where all their products will be sold. All children will have the opportunity to shop at the Market and so we ask if you could please send them to School on that day with some spending money in a named envelope (and preferably in small denominations to help the stallholders with their change giving!). We suggest that £3.00 would be a **maximum** amount for any child to have with them.

In the afternoon, the children will be assisted with counting up the money taken on their stall and calculating their profit. Prizes will be given in a final Assembly to the classes making the greatest profit, the best stall and the best marketing strategy used. All profits will be shared between classes for them to decide on what extra Maths equipment they would like to purchase.

If there is any unsold stock at the end of week, it will be available for you to purchase from 3pm in the Main School Hall on Thursday 9<sup>th</sup> February 2017.

We hope that you will support us and the children in this exciting learning opportunity – who knows, we may see them pitching an idea in the Dragon's Den in a few years time!

Yours sincerely
