

Joy Lane Primary School

A Love of Learning, for Life, for All

KS/fcp

Oyster Bay Nursery & Oysters SRP (ASD)

Executive Headteacher: Ms D J Hines

Head of School: Mr M Ashley-Jones

Friday 9th September 2016

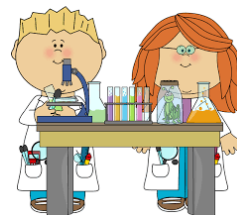

Dear Parents & Carers

Calling all Scientists!

On Monday 17th to Friday 21st October 2016, Joy Lane Primary School will be hosting a Science Week. We have already arranged some exciting events for the week to inspire the children in their love of learning specifically in Science.

It would be fantastic if the children could listen to and learn about the work of different scientists. Do you have a background in Science? Would you be prepared to come and share your experiences with the children? You might be the person who inspires them to become the next Isaac Newton!

If you are able to offer your skills and expertise in any way during our Science Week, we would love to hear from you. Please email the school or drop us a note into the School office FAO: Miss Bell or Mrs Stanley and we will aim to get back to you asap!

Many thanks in advance for any support, time or expertise you can offer to the week.

Yours sincerely

P Bell K Stanley
